Michaelangelo's has seen extensive changes in the background. We have continued the focus on fresh, exciting and enticing dishes, mixed with our tasty and refreshing wine/cocktail lists. We are proud to be located at the heart of Clarkston Toll, supporting local businesses and the community, introducing a variety of new ideas, for the restaurant and area. From live four piece classical band's playing in the background to cinema nights. A fresh food restaurant, sourcing only the highest quality of ingredients, from Scotland, to Italy, we are delighted to give our kitchen, the license to create. Relax, unwind and enjoy.
